RE: "Miami Real Estate Mogul, Scientologist Lists \$42M Mansion on Cryptocurrency Platform"

Story in the *Miami New Times* on July 2, 2024

Dear Tom and Alex,

You should be ashamed of yourselves for the article you wrote regarding my personal residence, incorporating my religious affiliation into the article title. In 2024 it is disheartening to witness open prejudice against a specific religious group.

Had I been a Muslim, Jewish, Catholic, Protestant, Baptist or Mormon, it's likely that you would **not have highlighted my religion in the title.**

Shame on you and the Miami New Times for your bias, bigotry and microaggressions towards a religion which you clearly lack adequate understanding.

It is imperative that you and your news outlet seek immediate assistance and training to address the evident prejudice bigotry directed at a religious group.

Sincerely,
